DEPARTMENT OF
COMPUTER SCIENCE

About the Department

The Department of Computer Science at Sister Nivedita University stands as a beacon of innovation and academic excellence. With a strong commitment to the ideals of NEP 2020, the department offers a comprehensive range of programs including six specialized B.Tech tracks, BCA, MCA, M.Tech, and Ph.D., catering to a vibrant community.

Our academic portfolio is deeply aligned with emerging technologies, covering fields such as Artificial Intelligence, Data Science, Internet of Things (IoT), Cybersecurity, Quantum Computing, and more. Research is the cornerstone of our ethos, with faculty leading ground-breaking work in AI/ML, Natural Language Processing, Blockchain, Bioinformatics, and Cloud Computing.

SNU students consistently excel in competitive examinations like GATE and NET, while many secure prestigious roles at top-tier companies including Microsoft, Amazon, TCS, and IBM, or pursue higher education at premier institutes such as IITs and NITs.

The department fosters a dynamic ecosystem of innovation through active student-run bodies like the Google Developer Student Club and Web3 Club. A culture of hackathons, workshops, and industry collaboration drives practical learning and entrepreneurial thinking.

By seamlessly integrating academic rigor, cutting-edge research, and strong industry connect, the Department of Computer Science at SNU is nurturing future-ready tech leaders, actively contributing to India's digital transformation.
